About this property

The tastefully furnished holiday ASKOS with pool is in a beautiful hillside location close to the picturesque village Askos. 2005 the former farm house was converted into comfortable holiday house with private pool.

The beautifully restored stone house ASKOS, furnished with attention to detail, is located above the north eastern coast with a wide view across the Ionian Sea and the surrounding mountains.

The beautiful terraced garden property is well-maintained with lots of flowers and olive trees. It is ideal for chilling or having a refreshing splash in the pool or relaxing on the sun terrace.

The free standing holiday house ASKOS is wonderfully furnished and decorated with love and attention to details. The ambience and the breath-taking location above the sea are captivating. Light and friendly colours and fresh accents define the interior of the house. The living room with its high, open wooden ceiling and adjoining kitchen provides a neat Mediterranean comfort of living to the guests. Directly above the living room is a semi-open gallery with a romantic sleeping area (2 single beds that can be joint together). Next to the living room is the separate bedroom with a panoramic window and magnificent sea view and the bathroom. From the living room and the bedroom there is direct access to a nicely designed terrace. One level below that is the large pool area with several seating possibilities surrounded by aromatic herbs, cacti and lots of Mediterranean plants. The 55sqm polygon shaped freshwater pool is in operation all year round and invites to enjoy relaxing and atmospheric moments.
