About this property

This comfortable holiday home with a swimming pool is positioned above the town of Omis. From the house, there is an unforgettable view on the mountains and the Cetina river canyon. The house is furnished in rustic style and is ideal for a pleasant family holiday or holiday with friends. On the ground floor there is a large tavern fitted out in Dalmatian style. The kilometre long pebble and sandy beaches can be found in Omis, which is ca. 6 km away. The traditional way of construction has conditioned the layout of the rooms, which is a little bit specific but in line with the original looks of the property. From the ambience of the ground floor including a spacious kitchen, dining room and sauna, you go up to the first floor where you can find additional kitchen, a bathroom and a bedroom. The second floor is in fact a loft with one more bedroom. Through the open terrace you can reach a separate part with separate entrance, where there are two additional rooms. You can relax in the fitness room. After a day spent on the beaches of Omis, you can relax with a glass of wine from the pretty winery.
