About this property

Bravone, in the centre of the Corsican eastern coast, is the ideal base to explore the Island from north to south. The apartments of Sognu di Mare are located in a splendid region south of Bastia.

Sognu di Mare is a beautiful 9 buildings complex. The complex is located in the heart of the natural area, at only 150m from the pretty beaches which gently slope into the sea. You can relax perfectly here or you could choose to actively explore the region on foot or on your mountain bike.

This medium-sized residence is just 200m from the beach in a quiet area; the town Bravone is located approximately 2.5 km. Corsica -the Ile-de-Beauté- is a fantastic island with beautiful scenery, wonderful beaches and coves and picturesque villages and towns. From Bravone is a tour to Cap Corse recommended; the northern tip of Corsica offers great scenery and great panoramas. Even a day trip to the picturesque town of Bonifacio in the extreme south is a must; do not forget to make time for a boat trip around the magnificent cliffs there. Residence Sognu di Mare is set in a green area around the lovely bean-shaped pool with sun terrace and sun beds. It consists of several 3-storey buildings with a total of 150 well-appointed apartments. They all feature a balcony or terrace with furniture.

Choose from the following types:

The interior of the accommodation can differ slightly from the pictures. However, the level of comfort is as described. The national policy is aimed at minimizing social contacts with others and ensuring (hand) hygiene. At holiday parks the amenities such as entertainment, kids club, swimming pool, wellness and the restaurants are closed until probably the 1st of June and can be closed even longer. As soon as it is possible according to government advice, facilities will be opened once again.
